

## WHAT IS AN ARCAID MACHINE?

ARCAID machines make comprehensive program and resource information easily accessible to parolees to help them successfully reintegrate into their communities. Each machine is a durable kiosk featuring a user-friendly touch-screen interface, a dedicated printer, and access to a database of more than 800 community resources. For more information visit: <http://www.cdcr.ca.gov/rehabilitation/ARCAID-machine.html>.
