C01-1351 TEH
THREE-JUDGE COURT
**DEFENDANTS' JUNE 2012 STATUS
REPORT IN RESPONSE TO JUNE 30,
2011 ORDER**

1 As reported last month, Defendants achieved the Court's upcoming June 27, 2012 prison-
 2 population benchmark more than two months early. The in-state prison population was 155% of
 3 current design bed capacity on April 25, 2012. (See Defendants' May 15, 2012 report, Dkt. Nos.
 4 2436/4184.) Since then, the prison population has continued to drop. Exhibit A sets forth the
 5 current design capacity, population, and population as a percentage of design capacity for each
 6 state prison and for all state prisons combined.¹ Exhibit A shows that as of June 6, 2012, 121,455
 7 inmates were housed in the state's 33 adult institutions, which amounts to 152.5% of design bed
 8 capacity.² This is 22,733 fewer inmates than were housed in California's prisons as recently as
 9 October 1, 2011, when California's historic public safety realignment was implemented under
 10 Assembly Bill 109. (See Defendants' October 14, 2011 report, Dkt. Nos. 2407/4099-1.)
 11 Defendants are in compliance with this Court's population reduction order, and there is no need at
 12 this time to modify the order, or to undertake additional crowding-reduction measures to achieve
 13 compliance. (See March 15, 2012 Decl. of Ross Meier, Dkt. Nos. 2427/4165, ¶ 3.)

24 _____
 25 ¹ Although Exhibit A reports design capacity and actual population in the aggregate and
 26 by institution, Defendants note that the Supreme Court recognized that the Court's order affords
 "the State flexibility to accommodate differences between institutions" and there is "no
 requirement that every facility comply with the 137.5% limit." *Brown v. Plata*, 131 S. Ct 1910,
 1940-41, 179 L. Ed. 2d 969, 1000 (U.S. 2011).

27 ² The data in Exhibit A is taken from CDCR's June 11, 2012 weekly population report,
 28 which is available on CDCR's Web site at http://www.cdcr.ca.gov/reports_research/Offender_Information_Services_Branch/Population_Reports.html.
